VOL. LXXVI, NUMBER 47

SHOWN TAKING their new offices are Jaycees members who attended their most recent meeting at the Dee-Gee Lounge. (Antioch News Photo)

Jaycees Install New Officers for Year

The Lake Region Jaycees recently met at the Dee-Gee Lounge and installed their new officers.

Installing the officers was a member of the board of directors, Robert Lubkeman.

New president of the organization is Norm Heyne, Jr. External and Internal vice presidents are Paul Eckert and Don Lubkeman. Paul Williamson remained vice president of Membership. Secretary of the group was Gene LaPlante. Treasurer is Gino Picchetti. State Director is Jack Elliott.

Other board of directors are Richard Dittmer and Robert Gossman. The Jaycees discussed their up-and-coming circus on June 4, owned and operated by the Hagen Brothers, which they will sponsor. The location for the circus is next to Floral Acres on Rte. 83-21, one-half mile south of Rte. 173.

Handling an information booth for the summer was also discussed. The organization will take over the former D-X station building for the operation.

The group's participation in the Antioch Summer Festival was also discussed. The Jaycees will handle a Beauty Pageant, which is open to any girl in the Lake Region area. See application for the event inside the pages of this and every issue of the Antioch News.

Before the group adjourned June 5 was set as the date of their next meeting.

Staff Writer Sees Grandson

Mrs. Henry Kapell, Sr., of Channel Lake, left for Leesville, La., on Thursday to visit her son and daughter-in-law, Lt. and Mrs. Henry Kapell, Jr. Lt. Kapell is stationed with the army at Ft. Polk and just recently received a promotion in rank.

Mrs. Kapell will stay with her son and daughter-in-law until their new-born infant, David Thomas, is brought home from the hospital. David was born on Sunday, May 13, although he was not expected until the middle of July, and will be kept in the hospital until he gains a little weight.

Mrs. Kapell, Pearl to her readers, is a staff writer for The Antioch News.

Salem Central Holds Commencement Exercise

Sunday, May 27, at 8 p.m. the graduates of Salem Central High will begin their commencement week with Baccalaureate services. The affair will take place in the high school gym. The address will be given by the Rev. Eugene Bleidorn, pastor of St. Scholastica's Church near Bristol. Rev. Bleidorn is the author of several books now being widely read.

The Girls' Glee Club and the Mixed Chorus under the direction of Mr. Dean Harter will provide the musical part of the service.

Graduation exercises will be held on Friday, June 1, at 8 p.m. with Rev. James McIlholland of Salem Methodist Church giving the Invocation. He will be followed by Richard Zietz, Salutatorian, then by Betty Magwitz, Valedictorian, each of whom will give a short address.

Polley Given Appointment

Warren Polley, Assistant Superintendent of Antioch Township High School has been appointed to membership in the Visitation and College Day Committee of the Illinois Association of Secondary School Principals for 1962.

Polley's work on the committee will support the objectives of the Association which are to improve secondary education throughout Illinois. Activities of the association include the annual meeting on October 1-3 at the University of Illinois, the summer workshop on June 25-27 at Illinois State Normal University, Spring Drive-In Conferences, and publication of The IASSP Bulletin three times annually.

Polley's membership in the Illinois Association of Secondary School Principals helps to comprise the 700 educators at high school and college level who are concerned with administration of secondary schools.

Ad Firm Wins Pickard Nod

Sander Allen, Advertising, Inc., has been named advertising agency for Pickard, Inc., nationally famous producers of fine china ware in Antioch. It was announced by H. Austin Pickard, company president.

"We'll be concentrating on the bride and the homemaker through the use of full color ads in brides' and homemakers' magazines," Pickard said. The firm was originally founded by Wilder Pickard in 1898 in a china decorating studio in Chicago where imported blank ware was decorated. In the 1930's, the firm began manufacturing its own wares and then moved to Antioch.

POST OFFICE BIDS

Postmaster Roy Kufalk recently announced that bids will be received to furnish a truck for the Antioch Post Office's use on mounted route. The vehicle will be used for an indefinite period. Forms for this purpose may be obtained at the Post Office.

Improvements Are Slated For Pool

Local Car In a Swim

A car mishap took place last Sunday morning in the Wildwood Subdivision in which a resident was somewhat dazed.

Returning to their home, Mr. and Mrs. Axel Fridell parked in front of their garage. Fridell got out of the car to open the garage door, leaving the motor running.

Mrs. Fridell, attempting to get out of the car, slid across the front seat, knocked the gear in motion and, while trying to brace herself, jammed her foot on the gas pedal. The car sped through the garage, tore out the back of the structure, proceeded across the back lawn and came to a bubbling halt in a nearby channel.

Fridell removed his wife from the half submerged car and she was treated for momentary unconsciousness by the Fox Lake Rescue Squad. The accident occurred at 10:45 in the morning.

Deputy James Repp of the Lake County Sheriff's Office reported the accident.

Students Make College Plans

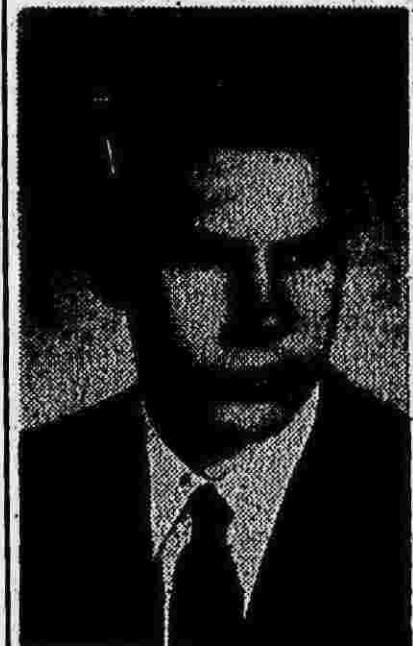

Robert Krieger and Jane Lassen have been selected as the outstanding senior boy and girl at the Antioch High School.

Robert is the son of Mr. and Mrs. Robert Krieger, Rt. 5, Box 40, Antioch.

Sports are of extreme interest to Robert. During the four years he has been involved in football, captain of

Jane Lassen

Robert Krieger

the basketball team and track. This past year Robert was president of the athletic club. Robert has maintained a high scholastic average and has consistently been on the honor roll. He is a member of the National Honor Society. Student Council activities have occupied Robert's time, too. He has served as a representative and parliamentarian to the council. He plans on attending Trinity College, Chicago.

Jane is the daughter of Mr. and Mrs. Knute Lassen, Rt. 5, Box 506, Antioch, Ill. Music has been of particular interest to Jane. She has been in the concert and marching

The development of the public park in and about the Antioch Aqua Center will be a special project of several individuals this summer.

Area improvements also entails the grounds near the scout house and the Little League diamond.

A joint effort will be made by Trustee Ed Vos, representing the Village Board, John Schulte, State Landscape Architect and James McMullen, representing the Division of Parks.

The area was surveyed on Saturday and permanent improvements were scheduled. Trees, shrubbery, tennis courts, additional fireplaces for the picnic area are all figured into the improvement. To make room for this conversational expansion, the Little League diamond will have to be reduced by 40 feet, giving the playing area 180 foot fence.

The entire project is centered about the pool itself. Dr. George Jensen, Lions Club member, has acted as liaison man for the club to the board and state members taking an active interest. Jensen urged purchase of seasonal swimming pool passes this year in order to defray the cost of the improvement and operation of the center. Passes may be purchased from the State Bank, members, the Antioch News and on the next two weekends at the old D-X station situated on Lake and Main streets.

Pool Opens, Free Usage

The Antioch Aqua Center will be open free to the public on Decoration Day, May 30, at 1 p.m. Swimming Pool Board member Preston J. Reckers, Jr., reported that a Treasure Hunt would be held for the children on that day within the pool itself. Prizes will be tossed into the pool and the children will be able to dive after them.

The toddler pool, a facility open to the children of toddling age, will also be open. Final preparations for the gala opening are being made this week.

Registration for seasonal pool passes can be made at the former D-X station on the corner of Main and Lake streets this Friday evening between 6:30 and 8 p.m. and Saturday between 9 and 12 a.m.

Those wishing to register can also apply the following weekend at the same time. The State Bank and the Antioch News office are also prepared to handle registration for the pool passes.

BUSINESS MOVES

TO NEW LOCATION

The Fashion Cleaners, formerly located on Main street, recently took over the old Post Office premises on Lake Street.

Remodeling of the store is still in process, with tile floors and room dividers already installed.

The Fashion Cleaners have operated under that name for the past 18 months. The Chain O' Lakes Cleaners was the original name of the business.

band for four years. She has also served as an important member of the Dance Band. Jane has been a member of the Student Council and because of her scholarship was selected to the National Honor Society. She has been a consistent member of the honor roll. The Girls' Athletic Association and Pep Club have been interest activities. Jane's main hobby is reading. Jane will attend Rockford College on a scholarship and will prepare to be a Medical Technologist.

Cunningham Proclaims Boom Year for Antioch

Car Struck From Rear

Antioch Police Chief Walter Scott recently reported that a two-car accident occurred on Rte. 59 last Sunday at 12:30 p.m.

The accident happened when Donald K. Fitzgerald, 23, of Chicago was proceeding north on 59. Fitzgerald attempted to make a left-hand turn off of 59 onto Beach Grove road when the car in back of him, driven by Murry Vance Whitehead, 17, of Antioch, struck him from behind.

Scott stated that Whitehead was given a ticket for negligent driving involving property damage.

Neither party was injured in the crash.

Boat Operators Are Warned Of Channels

William T. Lodge, director of the Illinois Department of Conservation, today urged motorboat operators to exercise extreme caution while navigating in the reach of the Fox River between Burton's Bridge and McHenry Lock.

Lodge said the Division of Waterways of the Department of Public Works and Buildings currently is engaged in dredging a boating channel at this location. It is contemplated that dredge operations will continue for approximately 120 days, Lodge said.

Rev. Anderson Returns Home

The Rev. Wallace Anderson, pastor of the Antioch Methodist Church, returned home last Friday from Wesley Memorial Hospital in Chicago. He had been a patient there for several weeks. Mrs. Lida Frasier, church secretary, reports that "he is coming along just fine."

This Sunday, the confirmation class will be received into membership of the church. In the absence of the Rev. Anderson, Miss Gail Frasier conducted the class temporarily, until the assistance of the Rev. Gerald Robinson, of Lake Villa Methodist Church, was procured.

Dr. Milton Bailey, retired, of Arlington Heights, has been conducting Sunday services in the absence of the pastor.

Democrats Applaud Yates at Ceremony

West Lake County Democrats turned out en masse to give Sidney R. Yates, candidate for the U. S. Senate, a rousing reception.

Also present at the reception held at Lorenz's Smart Country House last Tuesday, May 13, were Francis S. Lorenz, Illinois State Treasurer, and Lake County candidates. A capacity crowd enjoyed the sumptuous dinner served. Hostesses and arrangers for the affair were Ann Seisser and Rose Plechaty.

Mrs. John Bierman Heads Doughnut Day

Mrs. John W. Bierman, Rt. 3, Box 741, Antioch, has been named Channel Lake chairman for "Doughnut Day," the Salvation Army's 24th annual tag day.

"Doughnut Day" will be held on Friday, June 8, in Chicago and approximately 150 suburban communities.

As chairman, Mrs. Bierman will organize and direct the Channel Lake residents who volunteer as "Doughnut Day" taggers to help in raising funds for the social welfare services the Salvation Army offers to the unfortunate.

She appealed for volunteers to give just two or three hours of their time to sell the familiar doughnut-shaped tags.

In Channel Lake, as in all communities where Salvation Army Service Units are organized, 20 per cent of the funds raised in the local "Doughnut Day" drive will

remain in the community. These funds will be used to meet local emergencies, and to finance unduplicated programs of welfare service or health care. The local Service Unit, comprised of representative residents acting on behalf of the Salvation Army decides how the funds will be used to assist needy individuals or families in the community.

Among the Salvation Army institutions, services and departments sharing in the proceeds of "Doughnut Day" are Booth Memorial Hospital for unmarried mothers, the Family Service Division, Emergency Lodge for women and children, the Dental Clinic, Day Nursery, the Settlement, Camp Wonderland near Antioch, Harbor Light Center for the rehabilitation of homeless men, and the emergency canteen service at fires and other disasters.

Zoning Board to Meet Before Public June 7

President M. Cunningham in a recent interview with an Antioch News reporter stated that this would be a "boom year" for the village in industrial, residential and economic growth.

In citing residential area growth, Cunningham stated that fifteen new houses are scheduled for construction in Oakwood Knolls area. The village has recently incorporated part of the Antioch Hills subdivision into the village limits.

"Before the year is out," Cunningham added, "there will probably be a couple of new subdivisions opening up here."

The Zoning Board of Antioch will meet on June 7 at a meeting open to the public, to allocate residential areas of multiple and single family dwellings, along with business and industrial areas of the village.

Two new factory plants—Active Specialty and Frotee-Sno were also cited by the president as indications of Antioch's sweeping industrial boom.

Changes on Main Street in the last several months with businesses being bought and sold amazed Cunningham. "I have seen more changes on Main street this year," Cunningham stated, "than in the last 20 years I've been here."

He went on to cite the purchase of the Block building by Shoe merchant Robert Taylor, the sale of Williams V & S Hardware store, movement of the Fashion Cleaners to the old post office building, the building of the new post office on Orchard Street, plus the sewer and water project—all in all—over a million dollars changing hands on the various transactions.

As far as the sewer and water project was concerned, Cunningham said that Kennedy Construction company, which has already begun work on Main, Depot and Victoria streets, has 180 working days to finish the job of installing sewer and water laterals. Cunningham said that Kennedy was doing a good job maintaining his schedule and that Kennedy estimated the job to be finished within 120 days.

Concluding, Cunningham stated that "An overflow of growth from the industrial area of the village" would help Antioch immeasurably as a community. "It will bring in," he said, "workers who will dwell within the community, buy their groceries, their cars and their household goods here, contributing to the general welfare and growth of the community. This will definitely be a boom year from all signs."

The Antioch VFW Post will solicit funds for their annual "Buddy Poppy Day" this coming Saturday, May 25.

President M. Cunningham has proclaimed the day for the VFW Poppy Day in Antioch.

The funds collected from the drive go to support veterans from our wars who were crippled and maimed or still require medical assistance.

Solicitors will distribute poppies to the community all day on Saturday.

Emmons Graduation Scheduled Tuesday

Preparations have been completed for the eighth grade graduation exercises May 29 at 8 p.m. at Emmons Grade School in Antioch.

The graduates are: Michael Boskelly, Ralph Bown, Nancy Geiger, William Lasco, Elera Oganezov, Linda Schneider and Cheryl Toft.

W. C. Petty, Lake County Superintendent of Schools, will give the principal address. The songs selected to be sung by the eighth grade girls' chorus are "The Second Star to the Right" and "The Sound of Music," with accompaniment by Miss Olive Dobson.

The Rev. Fr. Hood of St. Ignatius Episcopal Church, Antioch will give the invocation and benediction.

The graduating class will leave May 31 for a tour in Chicago.

Activities for the school year end with the school picnic, Monday, June 4, on the school grounds.

RISE TO APPLAUSE of the Antioch Democrats who gathered to honor him at a special dinner at Lorenz's Smart Country House, is Sidney R. Yates, candidate for the Senate of the United States. Seated to his right is Illinois State Treasurer Francis Lorenz. (Antioch News Photo)

EDITORIAL

A Day of Significance

With Memorial Day just around the corner—May 30—we want to keep in mind the real significance of that day. Primarily the day has been set aside for those who died and served in our nation's wars. We the living are obliged to pay them homage.

For over a century and a half Americans have died on native and foreign shores to protect our common heritage of rights and privileges. We must not, as citizens of a country that holds the rights of all men sacred, ever forget our war dead.

Their graves, whether at Arlington, Flanders, Valley Forge or Korea mark the place of patriots who believed in America as the last frontier of human freedom.

Remember, when you wear your American Legion or VFW poppy, you are wearing the unwritten name of a dead American soldier whose life purchased a moment of freedom in the spectrum of time.

An Eventful Spring

Spring came to Antioch like an old-time traveling circus, full of pomp and circumstance.

What had been a bleak, dreary and severe winter, disappeared under the heavy onslaught of bright and sunny weather with soaring temperatures.

The brief hot spell brought out the tree and shrub finery of leaves. Lilac time had arrived.

The clothing change within the population of our community was rapid—everyone donning summer wear.

Early, and full of promise, spring in Antioch offers vacation fruits for out-of-town tourists and pleasant conditions for our year-round inhabitants in which to work.

The installment of our new water and sewer line on the streets this spring is a reminder of the constant growth flourishing with the season. If the work impedes traffic, a little bit of tolerance might be required. The job is a short one and the season is long.

Your Governor Reports

by OTTO KERNER

Each of the five conferences on "Developing the Talents of Illinois Youth" held recently was attended by approximately 300 persons representing educational and professional fields, agriculture, business and civic organizations.

These conferences were called in cooperation with Superintendent of Public Instruction George T. Wilkins, in order that the results of a comprehensive study project in this field could be thoroughly explained. Illinois faces awesome problems and similarly striking opportunities in the field of education.

At a time when a growing school enrollment poses severe problems of providing enough well-trained teachers, adequate classroom space and supporting services, we have become aware of a great educational need that goes far beyond mere quantity, one that goes to the very heart of education—quality.

The educational problems facing Illinois and our nation include the alarming loss of talent from early high school drop-outs. This sets off a chain reaction which makes suitable employment opportunities in a technological world virtually non-existent and triggers the extension of

delinquent patterns of behavior.

In addition, our problems include extending educational opportunities to mentally and physically handicapped youth facing the problems, both rural and urban in character, of socially and economically underprivileged youth.

Unless the schools and society in general attend to these problems, we can expect the cost of public welfare programs, expanding law enforcement and penal operations to increase further.

An advisory council has completed an extensive survey of these needs and at the conferences made recommendations to meet the problems. Interest of the conference was most gratifying, and their criticisms and suggestions will be helpful in drafting the final reports of the study to be filed with the General Assembly before Dec. 1.

The tentative recommendations were reported at the conferences by Dr. David N. Jackson, coordinator of the Special Study Project for Gifted Children, and William M. Rogge, research consultant for this project. As these recommendations are quite detailed, I intend to outline the more important aspects of them in subsequent weekly reports.

BENEFIT BUFFET LUNCHEON & CARD PARTY

— For —

ANTIOCH AQUA CENTER

Thursday, May 24

LUNCHEON AT 1:30 P.M.

In St. Peter's Church Hall

Along The Way

with Annie Mae

Ouch! Pass the sunburn ointment please. There sure aren't many palaces left after a weekend like we just had. We're all alike too, we have to get that tan all on the first sunny weekend. So my advice to you is to be careful who you pat on the back for the next few days.

That Host and Hostess with the Mostess, the Joe Patrovsky, Jr.'s, really outdid themselves last Saturday night. The setting was a "Raisin" 20's party with all the authenticity of the real thing. Genuine bathtub gin, and a realistic raid by Officers Steve and Emil made it the party of the season!

Heard that the Untouchables are looking for "Scarface" Reckers, and Al (Larry Ryan) Capone, to be in their next series. They especially like Reckers' bank experience, and Ryan's experience with a rod (fishing, that is).

The folks on Windsor Drive have had a real "Window on Main Street" all week because of the sewer construction detour.

A second big party took place last Sunday afternoon at the Scout House. The occasion was a farewell party (attended by almost 100 friends and neighbors) for Ev and Dee Detrick. They, and their daughter, Sue, leave right after school is out to take up residence and retirement in Sunny California. Best of luck to a very well-liked family!

Another business change is taking place on Lake St. Rumors have it that Bill & Marion Goewey have sold the theater, lock, stock and barrel, and are heading for the Southland. We'll miss the fine way they carried on their business.

They say Bob Wilton has been frequenting all the stop and sock and putting greens around the area. He's really worried about that golf bet with Art Meyer and Wes Camp on Wednesday.

Came across this old Swedish proverb the other day, and thought I'd pass it on to you: No one has so big a house that he does not need a good neighbor.

That's all today, Annie Mae

PENNING THE NEWS

HOW - WHEN Should My Story Be Submitted?

Another week has passed and if you haven't lost interest or faith and decided that they don't really want your story anyway, I'll get down to cases.

The first hint toward writing a story can best be described as being a copycat. It will surprise you how quickly you will develop news sense and to know instinctively when a happening is new and when it isn't.

One of the best and easiest ways of accomplishing this is to study your newspapers, notice the kind of stories used, which ones go on the front page, society page, etc.

Try to adopt a simple pattern in writing your stories. Present the facts and through imitation follow the style and construction of articles that have already appeared in your paper.

It would even be of help to cut out a few examples of various types of stories and follow that pattern through when you have a similar situation.

Tell the Truth

The ABC of writing is to tell who, why, what, when, where and how. After you have written it check back against the five w's and the h.

Be sure to give all the facts and necessary details including names, first and last, addresses of local people involved and any identifying titles they may have. Make it accurate and impartial.

When you give a story to

the editor, you become at once a member of his reporting staff. He can rely on you as a dependable and discriminating news source by publishing your article, or he can fire you by throwing your material in the wastebasket.

The editor is responsible for everything that appears in the news columns. Let him make his own mistakes, don't help him. Giving misinformation and making mistakes reflects adversely on him and the paper.

Don't cause him to feel his confidence in you is misplaced. He won't trust you a second time.

Get It While It's Hot

When it is physically possible, the editor will want the news no later than the day it happens. If it's more than a week old it's history and we leave the writing of history to the historians.

Once you've given him an "advance" story, he will expect a "cover" or account of what happened at the event. If for some reason the event fails to take place, it is your responsibility to notify the editor at once.

If he gets a call the next day from someone who attended the event and found no one there, he'll have a few choice comments the next time you bring in an item.

Next week, we'll go into the physical form for your news story. In other words, You may be an excellent penman, but . . .

Courthouse Notebook

BY LOU DURKIN

The way the Republican precinct committeemen, and particularly those from Lake County, lined up behind State Rep. Robert Coulson, of Waukegan, last Friday night to virtually hand him the nomination for state Senator makes a fellow wonder where they were back in April.

Absenteeism among Boone and McHenry precinct committeemen put the final damper on any hopes for the nomination which Woodstock's A. B. McConnell, or County Coroner Robert H. (Mickey) Babcox might have entertained before the tri-county convention in McHenry.

The missing committeemen, and about half of the representatives from the two counties failed to make the meeting, no doubt felt that the convention was so much window dressing set up as a sop to the two smaller counties since the endorsement of Coulson was pretty much a foregone conclusion.

The big shocker of the evening was the unexpected nomination of Max Wildman, who finished third in the eight man race for the GOP nomination for 12th Congressional District nomination in April.

Wildman, who had been figured as a solid Babcox booster, toyed briefly with the idea of seeking the state senate nomination to fill out the unexpired term of Robert McClory, but later withdrew from contention.

A stunned silence greeted the motion to place Wildman's name in nomination before the gathering recovered and offered up a polite applause.

When it came Wildman's time to address the convention he quickly withdrew his name, but promised to support the nominee and work for his election and the election of all the GOP candidates.

His presence at the convention probably did little to help Congressional nominee McClory's peace of mind since Wildman, along with Coulson, are strong possibilities as opposition for the new congressman in 1954.

There is probably no truth to the rumor that the janitor at McHenry High School where the convention was held is either a die-hard Democrat or a sadist, but I'll go along with the report that the furnace must have been going full blast during the convocation.

It was probably arranged

by the leaders of the Coulson faction who were anxious for a first-ballot victory and felt they could burn the committeemen out of rebellion.

A last-minute attack on Babcox because he was seeking a new job in the middle of his third term as Coroner seemed uncalled for, but probably had little bearing on the outcome.

Merits and qualifications aside, it seems to us short-sighted to tell a public official that no matter how well he performs the duties of the office to which he is elected he can't or shouldn't try to move up in the ranks.

There is little incentive for an official to do more than just enough to get re-elected if he is going to be stymied in the same office the rest of his career and there is little incentive for the official to give more than token support to the party once elected if he has gone as far as he expects to go.

Babcox himself is the beneficiary of a switch in offices by his predecessor and there was no need for a special election to fill the vacancy when Gar Leaf became County Clerk in 1950.

If one person can jump from one job to another during his term of office, let's not be too critical of others who want to make progress in their chosen career of politics.

Too often people are automatically critical of the city or county in which they reside and fail to recognize the outstanding things which are available or are accomplished by their elected officials.

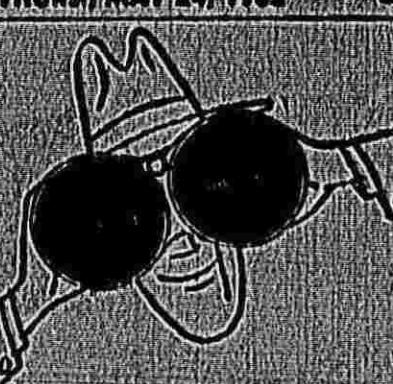

Probably only those people who are actively associated with the Special Education Districts in Lake County such as teachers or parents are aware of the tremendous job being performed for the handicapped youngsters of the county in our schools.

We were fortunate enough recently to visit two classrooms for deaf children where they are learning to hear and talk and it was a heart-warming experience.

The dedication of the teachers and their patience are beacons in a sometimes cynical and crass era.

Our thanks to L. D. Vuillemot, director of Special Education District, and his wonderful teachers for the tremendous job they are doing for the handicapped kids of our county.

THE ANTIOCH NEWS
THURSDAY, MAY 24, 1954

By Jay Nash

Whenever I think of Memorial Day, I recall the stories of Alexander Woolcott which were concerned with his experiences in the First World War.

In Long Long Ago, he recalled as a writer for the newly-born Stars & Stripes service magazine, standing alongside a road in France at night, watching doughboys going up to the Champagne front.

One company, sloshing through the mud and grime of the road, sunken beneath the level of the earth by the passage of desperate armies, was going up into the trenches to relieve another company, that had been on the firing line for over five months.

The two outfits passed each other silently in the night as the rain beat down upon their slanted helmets.

All of a sudden, as the tail ends of both companies met, a soldier from the replacement company turned slowly about and peered after the last soldier of the front-line outfit. "Al," he cried. The soldier turned about in amazement. Woolcott described them standing there, not being able to say words, merely tugging at each other. They were brothers. That year, 1918, both of them were killed in the Argonne Forest.

The war had its heroes—one of which was Sergeant Alvin C. York, who wiped out 20 German machine-gun nests single-handed and with the help of seven other enlisted men captured an entire battalion of the enemy numbering over six hundred men. He was given the Congressional Medal of Honor. York, strangely enough, had been an almost violent conscientious objector before going to France.

If you ever go to New York City and walk down to the center of Times Square, you will see a statue of a priest dressed as a soldier. He was the famed Father Duffy of the roaring 69th New York Irish Battalion—the "Fighting 69th," as they were known. Father Duffy was the only priest in the war ever to suffer the total privations and front-line horrors of his outfit.

The Battalion's commander was Wild Bill Donovan—no relation to the World War II general, who swore he would have to bury Father Duffy because he exposed himself so much under fire. When Wild Bill died in 1934, Father Duffy was one of his pallbearers.

A lot has happened and the world has considerably changed since the doughboys sailed home from their ordeal by their achievement and sacrifice lingers on in each succeeding generation that is conscious of the debt owed to the ones who went "over the top."

\$60,000 St. Mark Lutheran Church Dedicated on Sunday

By Mrs. Pearl Kapell

The new St. Mark's Lutheran Church, on Grand Avenue at Lindenhurst, had dedication services on Sunday, May 20, at both the 8 and 10 a.m. services. An open house was held at the church from 2 to 5 p.m.

The site of the church and parsonage was purchased by the American Missions of American Lutheran churches. Pastor Harold I. Nelson was called to serve as minister, though at that time there was no Lutheran congregation in Lindenhurst. Pastor Nelson was then serving in Ottawa, Illinois, in a church built while he was minister in that district.

Pastor Nelson, his wife and four children moved into the parsonage in July of 1961, and work on the church was begun. The first services of the new congregation were held in October of that year at the Lindenhurst Civic Center. Services were held there for ten weeks, until, in December, the congregation could move into the still uncompleted church.

Much of the work of finishing the church was done from then on by members of the parish. In December, a Council was elected, and Mr. Nelson was formally called as Pastor. The church now has 348 members. On Easter Sunday of this year, a schedule of two Sunday services was instituted, at 8 and 10:30 a.m. The Sunday school has an attendance of 151 children. The church has an active women's organization, the American Lutheran Women's Church League, with Mrs. Axel Swanson as president. The Luther League, for young people, has twenty members, with Phil Fabry as president. Mrs. George Patak is superintendent of the Sunday school. The president of the church council is Mr. Leland Hansen. The choir, under the direction of William Scarseth, has 20 members.

The church, which seats 225 people, is built on a 5-acre tract of land. The ground surrounding the building will be landscaped, with 1000 young pines being planted this week.

The dedication services Sunday were under the direction of the Reverend, Myron Lindblom, Regional Director of American Lutheran Missions. He also gave the sermon on that day. The choir from Pastor Nelson's former church at Ottawa traveled 125 miles to take part in the ceremonies. The nine members of the church council took part in the dedication services with readings from the Scriptures.

Church's Design

The building, designed by John Holland & Associates of Deerfield, is of contemporary design. This is the first unit of a building program designed to meet the needs of a growing congregation. What is at present the worship area will later become a Christian education area and fellowship hall, as the congregation expands.

The exterior of the church is alternating sections of face brick and rough-cut cedar, with narrow, square windows of colored glass. An interesting feature of the design is the west wall, of solid brick interspersed with tiny windows, perhaps a foot square, of the colored glass. From

the exterior, these small sections give the impression of the small gun ports of ancient fortresses. The alternating sections of brick and cedar are also carried out on the interior of the church.

About half of the interior of the church is taken up by the worship area. The balcony contains offices, wash-

rooms and a large, multi-purpose room with Pullman kitchen. The brass altar appointments were memorial gifts from various members of the congregation.

The church was built and furnished at a cost of \$60,000, exclusive of site.

Darlene Harms Weds June 30

LAKE VILLA—Miss Darlene Harms was honored at a bridal shower, held Sunday, May 20, at the Wonderland Ballroom at 2926 Milwaukee Ave., Chicago. About eighty friends and relatives attended.

Miss Harms is the daughter of Mr. and Mrs. Melvin Harms of Burnett Ave., Lake Villa. She will be united in marriage June 30, to Mr. Eugene Kupitz of Lake Villa.

Garden Club Speaker Scheduled Monday

The Antioch Garden Club will meet at the home of Mrs. John Wagner on Monday, May 28.

President Mrs. Fred Oschmann will call the meeting to order promptly at 12:30 p.m. Following the business meeting, Mr. Otto Springer will present a most informative and interesting program on the pruning of spring flowering shrubs. Mr. Springer is a well-known landscape specialist from Switzerland. He will conclude his lecture with a question and answer session.

Co-hostess Mrs. Elmer Christensen will assist Mrs. Wagner with the refreshments.

Pre-Schoolers Register Mon.

Registration of all children living in Emmons Grade School District No. 33 who plan to enter first grade in September is scheduled Monday, May 28, from noon to 3 p.m., and Tuesday, May 29, from 9 a.m. to noon.

Parents or guardians are required to bring the child's birth certificate and a copy of the child's immunization record at the time of registration.

Principal John F. Yards said the registration is vital so that an accurate first grade enrollment picture can be obtained to meet the needs of the school in regard to books and supplies for the fall term.

ALL ABOUT BABIES...

A Public Service of the National Baby Care Council

WATERPROOF PANTIES
By Margaret Wharton
Baby Care Counselor
Philadelphia, Pa.

"Is it all right to put waterproof panties on my baby?" This question is often asked me by mothers whose babies are between two and four months of age, and sometimes even younger.

That mothers of babies in this particular age group think about waterproof panties is natural. It is during this period that the amount of liquid formula baby takes is usually increased. It is also the time when many solids are introduced into the diet, thus increasing the strength of the urine. This calls for precautions in order to keep the blankets and the bedding dry. The natural impulse is to use waterproof panties.

So, when I am asked to prepare this column on diaper hygiene for the baby from two to four months of age, I decided to devote it to waterproof panties. This column is the third in a series on good diaper hygiene written by baby care counselors.

The decision to use waterproof panties can only be made by mother. The reason is that not all babies can satisfactorily wear them. Some babies, with more sensitive skins, may develop diaper rash. Waterproof panties are not the direct cause of the rash. The cause is in the mistake many mothers make in allowing wet diapers to re-

main on baby for long periods, just because baby is wearing waterproof panties. Mothers would do well to heed this advice from the Medical Section of the National Baby Care Council:

"If you use waterproof baby panties, you should check your baby's diapers at half-hour intervals during the time baby is awake. Indeed, the use of waterproof panties tends to increase rather than decrease the necessity of prompt changing. They keep baby's skin in closer contact with decomposing urine or stool, which if prolonged, tend to permit waterlogging of the skin, and facilitate the start of diaper rash."

Good diaper hygiene to prevent diaper rash can be practiced simply and surely, says the National Baby Care Council, by following a fastidious diapering routine and diapering baby with correctly processed diapers. This advice is doubly important when baby is wearing waterproof panties.

Since it is neither desirable nor convenient to continually disturb baby's sleep, all diapers for night and nap time use should be treated with a special antiseptic to minimize the chance of a rash starting while baby's asleep. Diaper services automatically impregnate the diapers they process with such an antiseptic which becomes active when the cloth becomes wet. The antiseptic delays the breakdown of baby's urine

Topics for Today's Women

MISS AMERICA 1961, Nancy Anna Fleming, crowns her successor, Maria Beale Fletcher, of Asheville, N.C., at last September's Miss America Pageant in Atlantic City. Miss Fletcher, America's First Lady of Beauty in 1962, will be in Elk Grove Village for the 1962 Miss Illinois Pageant, June 27-30.

Moose Club Throws Dinner In Officer Appreciation

An appreciation dinner for officers and all members of the Women of the Moose will be prepared and served by officers and members of the Loyal Order on Thursday, May 24 at 8:45 p.m. Reservations were to be made with Senior Regent, Alice Young or Junior Regent, Louise Gutowski by last meeting. Chairman and co-chairman of the dinner, Art LaFlamme and Carl Schiesser, have planned roast beef and the trimmings.

Initiation of new candidates is scheduled for Saturday, May 26, at 8 p.m. Ritual Chairman Les Palmer announces that the Antioch degree team will do the initiation. Lunch and free dance to follow.

Legion Ceremonial and election of new officers will be held in Kenosha lodge on Sunday, May 27 at 2 p.m. Arthur Andersen, Past Governor of Antioch Lodge No. 525 has been nominated for North Moose of Winner Le-

MOOSE TOPICS

WOMEN OF THE MOOSE
Antioch Chapter 735, W.O.T.M., held their business meeting recently with 62 members present. The membership committee, with Mrs. Selh Mark as chairman, served refreshments.

Those honored in the birthday march were Sr. Regent Alice Young, Pianist Gladys Schroeder, Lorraine Tesch and Dorothy Gorlitz.

On May 24, at 6:30 sharp, the honorary dinner will be held at the Moose home. Serving will be done by Loyal Order members.

June 7 will be enrollment night, also at the Moose home. New Horizon certificates will be given out at this meeting. They are awarded to co-workers who attend four or more committee meetings during the year.

Residents Tour On Nassau Cruise

Mrs. Helen Luedtke, Bonita Springs, Florida, and Mrs. J. W. Woods, Miami, Fla., recently returned from a refreshing cruise aboard the 100% air-conditioned S. S. Bahama Star to nearby Nassau, overnight by ship from Miami, with the ship docking right at Bay Street in the delightful tropical island.

Two days and a night were spent sightseeing, swimming and shopping in colorful Nassau.

Mrs. Helen Luedtke and Mrs. J. W. Woods

Meetings & Events

ALTAR & ROSARY SOCIETY

The Annual Sisters' Luncheon, held May 14th at Joe & Helen's, was again quite successful.

Mrs. Bruce Daigard was crowned Queen for the Day, and ladies honored that day who had May birthdays were Mesdames Elizabeth Haber-miller, Mary Peterson, Rose Hyre, Mary Forster and Barbara Feht.

The dessert was furnished by Chairman Mrs. Henry Apostol and her committee.

Church Slates Editor's Talk

Carl J. Welz, Associate Editor of The Christian Science Journal, Sentinel and Herald will be the speaker on the Columbia "Church of the Air" program, Sunday, June 3, it was announced by First Church of Christ, Scientist, Antioch.

His subject will be "The Ever-Present Shepherd." Mr. Henry Boatwright will be the soloist.

The program will be broadcast by Radio Station WBBM, 780 kc. Sunday, June 3, at 6:30 a.m.

Local Coed Takes Part In May Dance

An Antioch resident, Georganne Latham, participated in the Freshman May Pole Dance for Rockford College's annual May Party program held over the weekend.

Miss Latham, daughter of Mr. and Mrs. George Latham of Antioch, is majoring in medical technology at the 115-year-old college. She has been active in Nerelds swim club, student government and social affairs. She is a graduate of Antioch High School.

Rockford College is an independent liberal arts college for men and women with an enrollment of about 500 students.

College Post Won By Karin Nordling

WAUKESHA, Wis.—Karin Nordling, Lake Villa, became an officer in a recent election held by Alpha Xi Delta social sorority at Carroll college.

Miss Nordling, daughter of Mr. and Mrs. Anders Nordling, Rt. 1, Box 91, will be the social chairman for the 1962-63 school year. A graduate of Grant Community High school, she is now a sophomore planning to major in elementary education at Carroll.

Carole Jo Ness Is Sorority President

WAUKESHA, Wis.—Carole Jo Ness, Antioch, became an officer in the recent election held by the Delta Zeta social sorority at Carroll college.

Miss Ness, daughter of Dr. and Mrs. Charles Ness, 107 Hawthorne lane, Antioch, will be president for the 1962-63 school year.

She is a graduate of Antioch Township High School and is now a junior at Carroll majoring in Spanish and speech.

RAINBOW GIRLS

The next meeting of the Society will be on June 11, at which time the movie "Highlights of Mexico" will be shown.

Entrance to this meeting will be some article for the Rummage Sale to be held June 27 and 28.

RAINBOWS MEET

The Antioch Assembly Order of Rainbow for Girls, will meet on Monday, May 28, at 7 p.m. at the Masonic Temple. Patricia Brown, Worthy Advisor, will preside. Diane Polsgrove will be initiated into the order. Patricia Brown will give her report on the things she accomplished during her term of office.

Harriett Wells, worthy advisor elect, will announce her officers for her term. Her installation of officers will be on Friday, June 8, at 7:30 p.m. at the Wesley Hall, Methodist Church in Antioch. Mrs. Mabel Weber, Mrs. A. Wiegart and Carol Wiegart will be in charge of refreshments.

BENEFIT TO BE HELD

A benefit for the Antioch Aqua Center is being held today (Thursday) at 1:30 p.m. in the hall of St. Peter's Church, Lake Street, Antioch. There will be a buffet luncheon, followed by card playing, with many prizes being offered.

Mrs. Helen Nelson is in charge of arrangements for this benefit for the pool, with assistance from several ladies of the community.

GRASS LAKE PTA

The Grass Lake PTA met for the last time this year in the all purpose room of the school, with president Mrs. James Ferrier presiding.

It was announced that reservations are being taken by Mrs. Yopp for the Teachers' Appreciation Dinner, which will be held at 12:30 p.m. June 4, at Lorenz's Smart Country House.

The last coed skating party will be held on June 2 at Twin Lakes Roller Rink, with those attending meeting at the Scout home at 1 p.m.

The annual Chicken Bar-B-Q will be held on the school grounds July 1, starting at noon.

Officers for the 1962-63 school year, installed by Mrs. Helen Burke are as follows: Mrs. Richard Cork, president; Mrs. Colle Golden, vice-president; Mrs. Frank Felder, secretary; and Mrs. Lawrence Yopp, treasurer.

Room count was won by Mrs. Currie's room.

Mrs. Walter Johnson, assisted by first-grade mothers, served the refreshments for the evening.

FHA CONVENTION

Mrs. Lorraine Pospisil, FHA adviser and Home Economics teacher at Salem will attend the FHA convention at Green Lake, near Ripon beginning

THE ANTI-CH

June 4. Accompanying her will be FHA State President, Joan Gordon, a senior at Salem, who will preside at some of the meetings. The delegates selected to accompany the president and her advisor are Anita Daniela Beverly Drisel, Christine Cook, and Barbara Getka. Plans for the ensuing year are discussed and the girls prepare for the district conventions held during the coming school year.

Retirement Benefits Apply To All Workers

The Taxpayers Federation of Illinois reported today that some kind of retirement protection applies to nearly all full-time employees of State and local governments and to a considerable number of their part-time employees. The most widespread form of coverage, according to a recent U. S. Department of Commerce study of the finances of employee retirement systems of State and local governments, is through retirement systems administered by these governments. Such administered systems in 1967 reported 4 million members, receipts of nearly \$2.5 billion that year and financial assets totaling \$12.8 billion. By 1961 annual receipts had risen to \$3.7 billion and total financial assets equaled \$20.9 billion, an increase of 63% over the 1957 total.

Locally administered systems continue to account for a sizable fraction of all employee retirement finances. Their receipts in 1961 amounted to \$1.243 billion, or 33% of the State-local total of \$3.724 billion; their payments were \$804 million, or 43% of the State-local total of \$1.812 billion; and their cash and security holdings amounted to \$7,078 million, or 34% of the aggregate \$20.875 billion for all retirement systems of State and local governments.

A notable development in recent years has been the shift of retirement system in-

vestments toward non-governmental securities. The trend continued in 1961 with increased holdings of non-governmental securities accounting for all but \$147 million of the \$2.356 billion rise in the total financial assets of State and local government retirement systems.

The financial picture of the public employee pension system in Illinois in 1961 can be described as follows: Total receipts amounted to \$210,219,000 (\$92,797,000 for the State-administered systems and \$117,422,000 for the locally administered systems); of the total receipts, employee contributions amounted to \$88,480,000; State contributions \$26,398,000; local government contributions \$46,975,000; and earnings on investments totaled \$30,990,000. Total payments in 1961 added up to \$103,384,000, while cash and security holdings at the end of this fiscal year amounted to \$883,678,000. Such cash and security holdings were invested as follows: Cash and deposits, \$14,805,000; government securities, \$741,104,000; and non-governmental securities, \$227,679,000.

Chicago Food Reports Show Weekly Summary

Sharp conflict is noted between holiday tradition and complicated price-supply situations, as area food retailers head into the Memorial Day promotions that will break this weekend. Admittedly, some features are man-made without regard to existing market conditions, notably in the woefully limited fresh produce lines.

Ample supply and lower cost beef and processed pork lines take the promotional nod in red meats, with the selected items breaking away from general levels that remain basically unchanged. Most beef fell, as much as 2½¢, at wholesale, except loins that climbed on the usual holiday demand. Warm weather and slackened local demand dropped pork 1¢ at wholesale. Lamb is zooming in cost, up as much as 3¢ and still climbing on short supplies predicted months ago. Retailers could price higher except where operators have decided to spotlight lamb chops as possible features.

Fryers, with supplies 5% under a year ago, will be promoted at retail levels somewhat higher than a year ago (when 1½¢ birds abounded) but still quote as bargains. Wholesale costs climbed on induced holiday demand and the influence of hot weather. Whole birds will be abundant in the 27-29¢ retail range. Cut-up birds quote competitively 35¢.

Turkey, at storage levels some 17,000,000 pounds over a year ago, raise a question mark in Chicago, where buyers note limited availability. Based on inventory stocks, turkey tags mostly quote 39¢ for toms and 45¢ for hens and Beltsvilles.

Eggs firmed on demand and pick-up of breaker trade activity to quote retail of 43-47¢ for large size grade A. The market also notes more movement of shell eggs into storage where levels are about the same as last year. The produce picture remains seasonally bleak and will continue in the prevailing pattern of wide variations between quality and price for

some weeks to come. Many lines that should be making seasonal appearance in abundance are late. Other major lines are short, period. Only here and there is a break seen, and even some of these are holiday created. Some retailers fear that produce production levels cannot sustain current price cuts on a few lines, as is the case with melons and cucumbers. Cherries are notably late. A hint of seasonal improvement, though, is seen with new-crop blueberries and peaches scheduled for local debut. Groceries offer a ray of hope for economy. The wholesale index of processed foods is almost a point under

year-ago. More specifically frozen & canned citrus prices are weak; salad and cooking oil stocks are nearly four times greater; frozen and canned vegetable stocks are at record levels; canned peaches are in excellent supply; current fish and shell fish supplies are seasonally peaking.

The University of Illinois weekly food survey for the Marketing period ending May 28 and reflecting the Memorial Day situations, notes these relative consensus value opportunities:

Meats—Hams, pork chops and steaks, bacon (plenty of "packer deals"), picnics, ground beef, round and sirloin steaks, rump roasts; Poultry—fryers, large eggs, turkeys; Produce—strawberries, oranges, bananas, radishes, sweetcorn, green beans, onions.

Comic Red Skelton To Appear At Fair

Red Skelton will headline the main variety show at the 1962 Illinois State Fair on Saturday, August 18.

Ralph S. Bradley, director of the Illinois Department of Agriculture, and Franklin Rust, general manager of the State Fair Division, announced completion of contracts for entertainment at the fair. A total of 39 separate acts, comprising hundreds of performers, will be presented at the grandstand, Coliseum and other sites on the grounds. The opening night show on August 10 will feature Dick Clark of American Bandstand fame, The Lone Ranger, Quick Draw McGraw and Baba Louie, and Roger Douglass. Douglass is a native of Springfield.

The first Saturday night show, August 11, will again present the stars of the Grand Ole Opry of Nashville, Tenn. Headliners will be Jim Reeves and his Blue Boys, Ferlin Husky, Patsy Cline, Kitty Wells, Johnnie and Jack with their band, Tex Ritter and Hank Morton, the Willis Brothers and the Promenaders. Ralph Emery will be master of ceremonies.

The State Fair Revue will be presented each evening beginning Monday, August 13, and continuing through Friday, August 17. Stars will include Charlie Weaver (Cliff Arquette) of the Jack Paar show, Jimmy Dean, Ginny Tiu and Family, Tommy Dorsey's band led by Warren Covington, and a vaudeville show.

The Red Skelton show will feature the June Taylor dancers; Enzo Stuarti, famed Italian tenor; Jack Narz, M. C.; The Harmonicats; Skitch Henderson and the Teddy Phillips orchestra.

Appearing at various shows throughout the ten-day exposition will be Mari Norleen, Tommy Cooper, the Arena Kachinas, Ken Boen and Candy Candido.

Wells, Johnnie and Jack with their band, Tex Ritter and Hank Morton, the Willis Brothers and the Promenaders. Ralph Emery will be master of ceremonies.

The State Fair Revue will be presented each evening beginning Monday, August 13, and continuing through Friday, August 17. Stars will include Charlie Weaver (Cliff Arquette) of the Jack Paar show, Jimmy Dean, Ginny Tiu and Family, Tommy Dorsey's band led by Warren Covington, and a vaudeville show.

Appearing at various shows throughout the ten-day exposition will be Mari Norleen, Tommy Cooper, the Arena Kachinas, Ken Boen and Candy Candido.

North Shore Gets Support

"The Interstate Commerce Commission's ruling on the North Shore Line is useful because it indicates the need for continuation of the service," said Edward H. Bennett, Jr., chairman of the Lake County Regional Planning Commission.

"The provision that the sale be made to a competent group within 35 days is a constructive requirement because it is tied to a price based on the salvage value of the line. "When the road was in receivership it made money. Ownership can now be transferred into a group which will actually try to operate the road successfully. There is no reason why they cannot earn as much profit or more than the receiver did when it was in the custody of the Illinois courts."

Cheerful "The simple faculty of being cheerful is a valuable trait and a wonderful possession,"—St. Joseph Record.

DEATH NOTICES

ARTHUR J. CARLSON
Arthur J. Carlson, 69, of Fifth Ave., Deep Lake, was found dead at his home on Sunday. He had apparently been dead since Friday.

Born in Chicago on Jan. 12, 1893, he lived there until moving to Deep Lake four years ago, but had spent his summers here the past 40 years.

Mr. Carlson was a Past Commander and member of the F. W. Galbraith, Jr., Post 358 of the American Legion in Chicago. He was also a member of Waukegan Lodge 702 B.P.O.E. and of the Swedish Glee Club in Waukegan.

He was retired from Sumner Solit Co. of Chicago, where he had been a superintendent of construction.

His wife, Lillian, preceded him in death in November, 1957.

Surviving are a son, James C. Carlson of Antioch; a daughter, Mrs. Mae Dobowski of Itasca; a brother, Carl Carlson and sister, Mrs. Esther O'Neill, both of Chicago, and four grandchildren.

Services were held at 1 p. m. Wednesday at the Strang Funeral Home, with Mrs. Lucy Kerber of the First Church of Christ, Scientist, of Antioch as the reader.

Burial was in Acacia Park Cemetery in Chicago.

W. LOUIS MILLER

W. Louis Miller, of Rock Lake, Wis., formerly of Chicago, died at 6 p. m. Friday in Victory Memorial Hospital, Waukegan, after a three week illness.

Mr. Miller resided in Chicago until moving to Rock Lake in 1900, but he had spent his summers here the past 32 years.

He was a member of St. Peter's Church, Antioch, and was a graduate of Lewis Institute, Chicago. He was employed for 33 years by the Roth Adam Fuel Co. of Chicago, as a weighmaster.

Surviving Mr. Miller is his wife, Nora; one daughter, Mrs. Marilyn Sterbenz, Antioch; one brother, Charles of Mt. Prospect; one sister, Catherine Liston of Chicago, and four grandchildren.

Services were held at 1 p. m. Saturday at the Strang Funeral Home.

Prayers were said at 8 p. m. Sunday evening, at the Strang Funeral Home.

He was preceded in death by a sister, Marie Landreth.

Services were held Monday morning at St. Peter's Church, with burial in St. Joseph's Cemetery, River Grove.

Prayers were said at 8 p. m. Saturday and a Rosary on Sunday evening, at the Strang Funeral Home.

He was preceded in death by a sister, Marie Landreth.

Services were held Monday morning at St. Peter's Church, with burial in St. Joseph's Cemetery, River Grove.

Prayers were said at 8 p. m. Saturday and a Rosary on Sunday evening, at the Strang Funeral Home.

He was preceded in death by a sister, Marie Landreth.

THE LAW

A PUBLIC SERVICE OF
ANTIOCH NEWS ASSOCIATION
IN COOPERATION WITH THE JUDICIAL

72 HAVE ANOTHER DRINK, OLD PAL

"Have another drink, old pal!" With these words the unsuspecting bartender, tavern owner, building owner, patron, his wife, children and dependents may soon become acquainted with an Illinois law commonly referred to as the Dram Shop Act. Legally it is referred to as Chapter 43 of the Illinois Revised Statutes.

There are 209 Sections in the Act, but the average citizen who finds himself in the position of having to rely on this law to seek legal redress, will only be interested in Section 135. This article will briefly acquaint the reader with the provisions of that Section, and its application to our everyday way of life.

Section 135
Briefly stated, Section 135 provides that when a person is injured or his property damaged, by an intoxicated person, he or she may file a lawsuit for damages against the person or persons who sold or gave alcoholic liquor to the intoxicated person, which caused either in whole or in part the person's intoxication.

It is not necessary for the person being sued to have sold the alcoholic liquor to the inebriate. He may have given it to him without charge. Therefore, the generous tavern-keeper or bartender who says those cherished words, "have one on the house," is no less liable than the bartender who takes money for every drink served. Moreover, intoxication may be caused in whole or in part. It is not necessary that the person being sued sold or gave the inebriate the last drink which caused him to arrive at the point where he no longer has complete control of all his senses.

It is enough that sometime between the time of sobriety and the point of intoxication, the inebriate received alcoholic liquor from the person being sued which in whole or in part caused his intoxication.

The injured party is not restricted to filing the suit against one tavern owner or bartender, but may designate as defendants all who contributed to the inebriate's condition.

tion through the gift or sale of intoxicating liquor.

Dependents May Sue
The Section states further that persons who have their means of support injured by an intoxicated person or in consequence of the intoxication may also recover against the defendants if their complicity is proven.

Not only may the individual directly injured in person or property recover, but any person who is dependent upon the individual injured by the intoxicated person may also recover damages, and this is true even though the injuries may be caused by the inebriate's own action—such as running into a viaduct, pillar, etc.

Any lawsuit filed pursuant to this law must be filed within one year from the date of the occurrence. The maximum amount that may be recovered by any person who has been injured or whose property has been damaged has been injured is \$15,000. Any person whose means of support has been injured may recover up to \$20,000.

A \$20,000 Limit
However, the total amount recovered in any one action for injury to means of support shall not exceed \$20,000, and it shall be distributed to the respective dependents as the jury or court shall determine by verdict. No matter how many dependents there may be, only \$20,000 can be recovered and distributed among them.

There are many additional provisions in the Dram Shop Act, and many areas of law in this particular field are still unsettled. Therefore, if you believe you may have a claim under this Act, consult with your attorney before going any further.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law.

Stubbornness
"Stubbornness is more of a sign of weakness than of strength." — Onargo Leader-Review.

Memorial Day Slates Heavy Weekend Traffic

The Chicago Motor Club's Memorial Day air observation traffic service will be in operation Wednesday, May 30, for the 14th consecutive year.

What you do while driving is not necessarily only your own business. Other drivers need to know your intentions too! The Institute for Safer Living of the American Mutual Liability Insurance Company advises use of directional signals each time that you make a right or left turn, when passing another vehicle, when changing traffic lanes, and when pulling away from the curb or roadside into traffic.

From 3 p.m. to 10 p.m. the club's observers will fly over the Chicago area reporting on traffic conditions as an estimated 270,000 automobiles pour back into the region following the one-day Memorial Day holiday.

When a traffic tie-up is spotted, this information will be relayed to Chicago area radio and TV stations for use as special traffic bulletins.

As in previous years, the motor club's air observers will cover an area bounded approximately by Gary, Joliet, Waukegan, and Lake Michigan. While the club's traffic engineers are checking highways from the air, other

staff members will be in communication with city, county and state police reports on accidents and bottlenecks. The motor club's touring department estimates that

about 270,000 cars will be leaving the Chicago area area 4 p.m. Tuesday, May 29, to return within a 200-mile radius of Chicago. An additional 100,000 cars

will be moving within the metropolitan Chicago area on Wednesday, May 30. Traffic estimates are based on good weather conditions prevailing for the holiday period.

Traffic observation is expected to reach its peak between 4 p.m. and 6 p.m. on May 30. It will remain heavy until about 8:30 p.m. when it is expected to taper off.

"OIL HEAT IS THE SAFE HEAT"

Waukegan Feature Race Taken By Ronny Larson

A long time driver of modified stock cars, who has placed in many events over a number of years, finally came home the winner of his first feature race Sunday evening before a crowd of 2,800 persons. Racine pilot, Ronny Larson, driving a Thunderbird powered 1954 Ford that carried Milwaukee Driver Bill Schwitzer to many victories last season, averaged 48.80 mph in winning the 25 lap main event at the Waukegan speedway.

Fans were treated to plenty of feature race action. Top qualifier of the night, Jack Radke of Grayslake, was involved in an entanglement with Paul Coen of Milwaukee and was unable to continue. Don Sorce, West Allis, who was moving up rapidly in the later laps, was hung up on the 23rd when Roger Otto of Burlington spun in front of him.

The third modified heat, won by Stevens, produced another spectacular roll over when Jim Lawrence, Bristol, tangled on the first lap, again with Otto, and Carl Jensen of South Milwaukee. Lawrence's car hit the infield and rolled over 2 1/2 times. He was not injured. Stevens took his victory on the last lap when early leader Harold Wade of Waukegan spun out.

The first heat was stopped due to a pileup which blocked the track completely and sent several machines into the concrete. None of the drivers was injured.

Zion driver Dennis Burgen scored the first clean sweep of the season when he won all three events for the sportsman's class of racing.

The crowd, larger than the previous week, contributed to driver purse of \$1,500.

ATH Tops Opponents

Rounding out their season in track, the Sequoits swept a pounding win from Wauconda and Round Lake speedsters last Thursday, dumping their opponents by a margin of 14 points.

Antioch, which wound up with a score of 70, allowed only 56 1/2 points to Wauconda and 21 1/2 points to Round Lake.

Although Wauconda took five events—120 high hurdles, 880 Relay, Mile, 220 and the discus throw, they were no match for the red-hot Sequoits.

Rathbone, whose performance throughout the season has been exceptional for Antioch, took the 880 individual meet.

Fowles took the 440, Westberg the 120 low hurdles, Ipsen the shot put, Weber the pole vault and Dittman the High Jump for Antioch.

Graders Given Track Awards

Approximately 160 boys took part in the annual grade school track meet at Antioch High School recently.

The meet started at 4:10 p.m. and the final presentation of trophies took place at 7:15 p.m.

Boys in grades six through eighth entered 10 running events and 10 field events.

Roger Andrews, Track Coach for the varsity squad of ATHS, stated that he hoped next year the time of these events would be cut down considerably in order to expedite the events.

Andrews went on to add that the grade school coaches cooperated extremely well in making the meet a success. He also commended the boys on their performance and behavior.

Next year, the hopes of the ATH basketball squad will be in Andrews' hands with Coach Larry Leon departing for Libertyville where he will assume command of the basketball team there.

Leon recently commented on his genuine affection for Antioch and his sincere regret in leaving the community where he has found success as a coach, teacher and friend of many.

THE MILE RELAY TEAM of ATH just finished a successful match against Wauconda and Round Lake. They are (from left to right) Fred Andrews, Chuck Weber, Ritch Fowles and Don Rathbone. (Antioch News Photo)

Golf Season Opens Big As June Matches Start

The 1962 golf schedule moves to the top of the backswing with National Golf Day on June 2. Every golfer will be poised to follow through for golf charities and hit into a season which looms as the biggest and best in golf history.

On June 5, golf fans will see the sectional qualifying for the USGA Open Championship at Ravisloo country club in Homewood. Approximately 60 top professionals and amateurs from all over the middle west will play 36 holes to determine the select few, probably 10 or 12, who

will make the Open at Oakmont Country Club in Pittsburgh, June 14-16. Allen Gelberger of Santa Barbara, Cal., won the \$300 first prize in 1961 with rounds of 68-71-139, one under par at Evanston golf club.

White Pines golf club in Bensenville will be the scene on June 7 of a 36 hole qualifying round for daily fee golfers who aspire to the USGA Public Links championship over the Sheridan Park golf course in Tonawanda, N. Y., July 9-13. Sectional qualifying for the

Illinois State Men's Amateur championship will be held on June 11 at Midlothian country club, Midlothian, and at the University of Illinois golf course in Savoy. The 31 low scorers will join Ed Moehling, Jr., of Mt. Prospect, the defending champion, in three days of match play at Butterfield country club, Hinsdale, June 18, 19, and 20. The championship is open to any legal resident of Illinois whose valid handicap is five or under. Entries, accompanied by fee must be received by the Chicago District Golf Association by May 31.

Head golf professionals and their assistants will play their annual Pro-Assistant championship at Aurora country club, Aurora, on June 11. There will be no gallery charge and this event always attracts a top field of Illinois PGA professionals.

Administrative problems of golf will be discussed between shots on June 14, when officers and directors of member clubs of the Chicago District Golf Association play their annual tournament at Oak Park country club. Prizes will be awarded to the low-scoring club president and his director-partner, and to the low-scoring foursome made up of club directors.

The distaff side takes over Twin Orchard country club in Lake Zurich on June 15 for a one-day low net event for members of the Chicago Women's District Golf Association.

Illinois seniors will tackle Westmoreland country club in Wilmette on June 15 and on the following Monday, June 18, the Illinois PGA will play a 36 hole qualifying round at Flossmoor country club for their own PGA championship to be held July 19-22 at Aronimink, G. C., Newton Square, Pa. Again, no gallery charge to see the pros play one of the finest courses in the area, the same course where Bobby Harris of Sunset Ridge won his first Illinois Open title in 1955 with rounds of 68-68-73-209.

Juniors will come into their own later in the month. On June 21 at Jackson Park and June 22 at Glencoe golf club the Jaycee Chamber of Commerce will sponsor qualifying rounds for the state Jaycee tournament to be held at Freeport, July 23-25. Qualifying rounds will be held in other Illinois cities and interested juniors can make inquiry at their local Jaycee Chamber of Commerce. The Jaycees admit young men under eighteen.

The Illinois State Women's Amateur championship will be played at Champaign country club, June 25-29. Mrs. Paul Dommers of Belvidere will defend.

On the same dates, June 25-29, junior girls will be invited to compete in the Women's Western Junior at Lake Geneva (Wis.) country club. Ann Baker of Maryville, Tenn., 1961 winner, and Mary Lou Daniels of Louisville, Ky.,

Varsity Football Coach Roy Nelson Has Hopes

The new head football coach of ATHS, Roy Nelson, is optimistic and hopeful of next season's schedule. Nelson, who has a fine background of gridiron experience, stated that he wanted the team to improve, even in walking out of the locker room.

He indicated that the conference teams this coming season would be tougher than the last. "This conference has its sleepers," he said. "Lake Forest is always a challenge. Round Lake has had the taste of championship. They're going to be rough."

Nelson teaches Physical and Drivers Education along with Safety at Antioch High before that at Mendon in 1958 from Paxton after coaching all three high school sports—football, basketball and track. He was a coach before that at Mendon in Western Illinois. Nelson was also a line coach at Decatur for five years.

He and his wife, Dorothy, have two children, Rick, 10, and Candy, 8.

Nelson places much hope in returning players this year. He singled out Fitch, Fowles, and Furlan as backfield men of accountable stature. Jeff and Greg Gates were also mentioned as potential assets to the new team. Prosise, Lang, 2 returning lettermen, and Lon Ipsen, coming up

from the underclassman ranks, are expected to carry a goodly load of work for the Sequoits line. Ipsen's playing weight, Nelson pointed out, is 230 pounds.

Nelson also added that Ray Peterson could develop into a prospective quarterback. Lear is also expected to handle the quarterback position.

Others mentioned as hot prospects for the formulation of the new team were Sevesta, Darrol and Rinky Cunningham and Paul Williams.

He stressed the fact that the squad lacked the proper material each year and wanted to urge those eligible students to participate. "If the boys all come out we'll have something to work with this next season," he stated.

No formation change in the style of the team's play is anticipated. Nelson said he would work from the same slot T used previously by Coach Bob Walther.

Nelson will enjoy the return of seven lettermen to his Sequoits squad this year. Those returning are Fitch, halfback; Fowles, halfback; Furlan, wingback; Lang, tackle; Prosise, tackle; Rathbone, end; and Van Rooyen, guard.

Other returning players from whom a lot of play is expected are Ken Shewan, tackle; Paul Hameau, end and Dean Horton, quarterback.

Little League Boasts 3 Open Shutout Games

Three shutouts were the highlights of the Lakeland Little League opening day. Tommy Hartnell of the Pirates pitched a no-hitter against the Orioles 12-0. This game was played at New Munster.

Tony had 5 strikeouts and walked only 3 batters. Three hits were claimed by Pirate Danny Chlebos which included 2 triples. Dale Swenson followed with 2 singles and Mike Wagner chipped in with a triple, besides playing a fine fielding game at second base.

The Yankees, who were last year's champions, were win-

nors over the White Sox at Twin Lakes, by a score of 3-0. Mike Vanderee struck out 13 opponents and wound up with a 2-hitter. The youthful pitcher also led his team at the plate with a triple and a single.

Pitching for the White Sox, Mike Thom allowed only 4 hits, having 6 strikeouts.

The Braves beat the Cubs at Silver Lake by a score of 9-0. Gary Chapman pitched and batted the Braves to the win as he hit 2 home runs and allowed the Cubs only 2 hits, and struck out 10 Cub batters.

THAT SMILE AND THAT bass is worth \$250.00 to James Moroski, center above of Harvard, Illinois. Moroski caught the first tagged fish in the "Pepsi Chain of Lakes Fishing Derby" sponsored by the soft drink firm and the Chain of Lakes Resort Owner's Association of the popular northern Illinois resort area. On hand to congratulate Moroski was Ed Krupo, left, President of the Association and Bill Ehmann, right, owner of the resort on Meyers Bay where young Moroski was fishing.

Wisconsin and Illinois Battle for Racing Titles

This coming Wednesday, Memorial Day, Wisconsin drivers will compete against those of Illinois in the 6th annual "Interstate Championship" drag races, at the Great Lakes Dragway, Union Grove, Wis. Illinois drivers will be after their third consecutive title in the six meetings between the two states.

Prior to 1959, Wisconsin machines were no match for the advanced Illinois racers. Some of this is undoubtedly

due to the fact that at the start of the rivalry, Illinois had four years of sanctioned drag racing, while the Wisconsin strip opened late in 1956. After being badly beaten in 1957 and 1958, Wisconsin scored a very narrow victory of 17 wins to 16 for Illinois in 1959. In 1960, Illinois took a 19 to 16 victory and again last year, won 21 of the 40 classes, leaving 19 for Wisconsin.

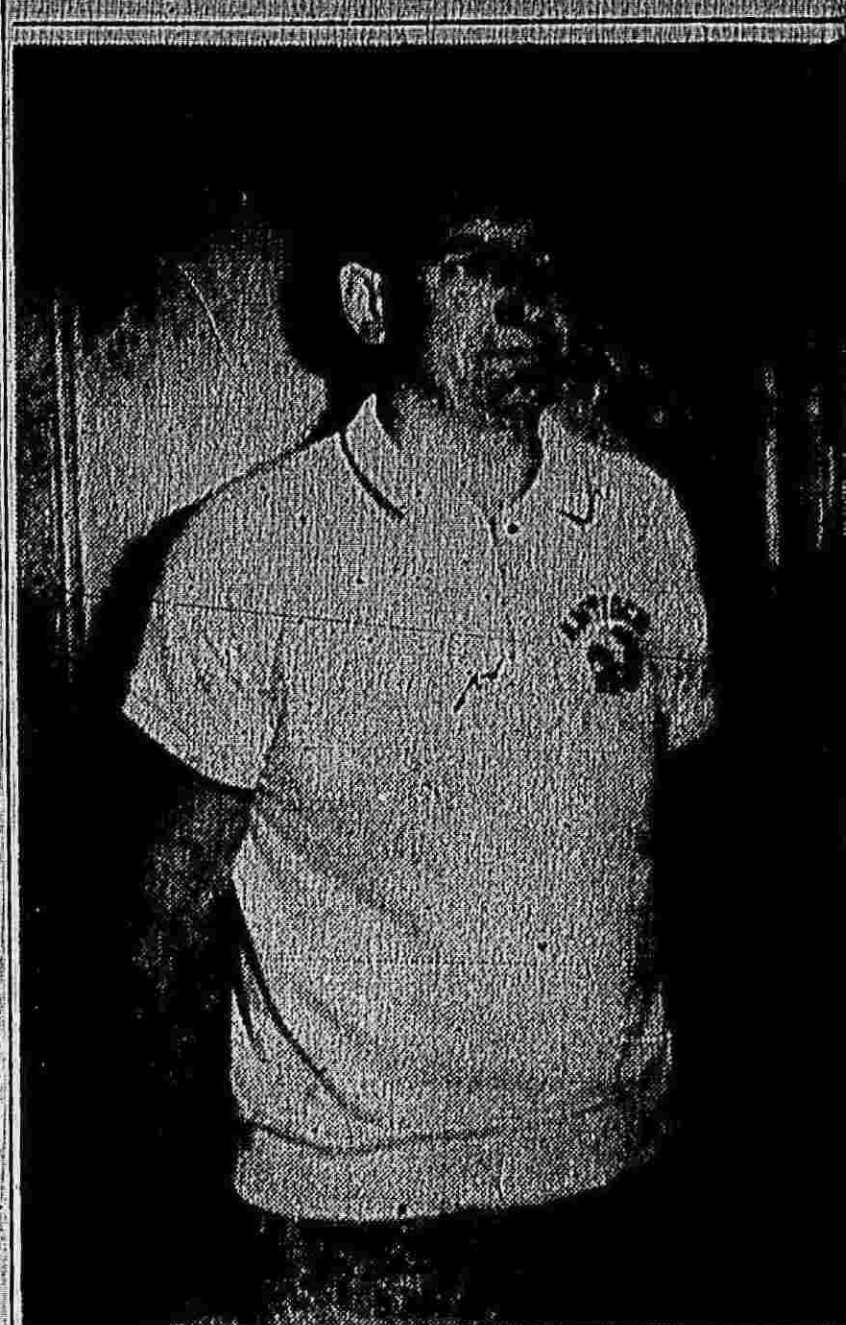

As was the case last year, Wisconsin is favored to win in the gas dragster, roadster, and modified stock car divisions, while Illinois appears to have an edge in the nitro-fuel dragster, modified roadster and stock car divisions.

With the Union Grove dragstrip being one of the fastest in the nation, and the fact that both Wisconsin and Illinois have some of the fastest dragging machines in the Country, this again shapes up to be one of the top drag events of the year.

Time trials will begin at 9 a.m., with the trophy competition beginning at 1:30 p.m.

The dragstrip is located off Hwy. 45, 12 miles north of the Wisconsin-Illinois state line, south of Union Grove.

News of Lakesports

Coach Bob Walther (Antioch News Photo)

New Job for Bob Walther

Former head Football and Wrestling Coach Bob Walther, along with Head Basketball Coach Larry Leon, will say farewell to Antioch High this year.

Walther will take over duties next year as a freshman football and sophomore wrestling coach at the newly-organized Forest View High School in the Arlington Heights District. About 1600 students are expected to enroll in the new high school, which will not see senior students until next year.

Along with his duties in sports, Walther will teach biology on his new assignment. He, his wife Kathleen and their two children, Mark 2, and Gregg 1, will move to Arlington Heights this summer where Walther is building a home.

A graduate of Augustana College at Rock Island where he majored in Physical Education, Walther has held the head football coaching position in Antioch for five years. His 1959-60 football squad won 2nd place in the conference, losing by a total of seven points to two contending teams.

Enthusiastically, Walther explained that "wrestling has really taken hold here." He pointed out that up-and-coming wrestlers for ATH were Brad Brenna, Ray Shepard and Lon Ipsen who had 13 pins out of 13 matches. Also in Walther's nomination for future victories was Ralph Gaston who went undefeated through the entire wrestling season 14-14, one of which was a senior division wrestler. Gaston is presently a sophomore. "He's going to be good," Walther stated.

Others Walther invested his predictions in were John Se-

besta, Tony Urban and Pat Mongan.

As far as ATHS's flagging football gridders are concerned, Walther explained that "as far as wins and losses are concerned, we are at a low ebb in the cycle. The teams we've had in the past were bigger and tougher. Now, the emphasis of the athlete is on dress, conduct and scholasticism. You have a different type of player today to work with."

Concluding his interview, Walther stated that he felt new Coach Roy Nelson would do well by next year's Antioch Football squad.

INDIVIDUAL HIGH GAME Champs in the Bantam League are (left to right) Glenna Burns (168), Elizabeth Surrock (140) and Tom Spigel (146). Rodney Miller, another high game trophy winner with a 204 was not present. The Bantams were honored at a banquet recently at Joe and Helen's.

HOLDERS OF SPECIAL Bantam Award trophies are (left to right) Gary Camphouse, Chuck Madden and Randy Maschek. Other three o'clock champs not present are Billy Erdman and Jack Gudahy.

CONFLICTING ARTICLES
"Difference of opinion and conflict of ideals are the basis of progress. The far right and the far left are poles apart on their ideas of good government. From this conflict of ideas comes a degree born from the conflict and this new idea is the track upon which progress runs."
... From the conflict of these different ideologies may come new thoughts and new ideas which will benefit the readers of this paper and might take roots and grow into a national concept.
"This is a sincere invitation to those people who disagree with this paper; to those who agree with it and to those who have new and completely different ideas.
"The purpose is to present all sides of any question or
FREEDOM AND PEOPLE
"I've never fully believed that people at large desire all of the freedom—the full freedom—they rant so much about, because a lot of these people, I have found, won't even vote in an election, on the grounds that they have to declare themselves as Democrats or Republicans. Their argument is they want the freedom NOT to have to declare themselves, but while the law is written the other way around, they suppress an even more basic freedom! That is, of course, their right to vote."—Mt. Sterling Democrat Message.
issue with the idea that such presentation will be beneficial to our readers."—Zion-Benton News.

Inside Antioch High

By Mike Brooks
THIS FINAL COLUMN IS DEDICATED TO THE ILLUSTRIOUS SENIOR CLASS OF 1962—ANTIOCH TOWNSHIP HIGH SCHOOL, ANTIOCH, ILLINOIS.

The time for Seniors to bid adieu to ATHS has finally arrived. This Friday afternoon at 3:20 is the farewell date. We will say goodbye and put a cap and gown on the four wonderful years of high school which are now drawing to a close. Our farewells are not said without some regret, even if it does not show. Many of us will pursue higher education next fall. Some will have begun their life's work. Regardless of what we choose to do, our four high school years will always be pleasant memories to recall. The 1962 Senior Class is proud of Antioch Township High School. We worked and played in it for four years. It was our "home away from home." We yelled our lungs out at sports activities displaying our school spirit. We watched and then applauded vigorously the many and varied productions performed by the Fine Arts Department. At nights, we labored painstakingly at the task of homework even though it seemed like we would never get it done. The finished product showed our many hours of labor. We were pleased.

We kept track of the bond referendums for a new addition to our school to help stem the overflowing student body. The voters of Antioch finally voted in favor of it, but we are leaving now. We can tell people that the Senior Class of 1962 left a new \$995,000 building at ATHS.

There have been many sad and twice as many joyous occasions at ATHS. The happiest and saddest occasions were caused by the same institution this year. Some of you may disagree, but that is your privilege. The broadest smiles on ATHS students in 1961-62 was after our Sequoit Basketball Squad beat the 1st place team from Round Lake on Saturday night January 27th. Antioch kicked up its heels and showed the over-confident R.L. Panthers that they could be beaten. A few weeks later,

"A FAREWELL"
MY FAIREST CHILD, I have no song to give you; No lark could pipe to skies so dull and gray; Yet, ere we part, one lesson I would leave you For every day.

Be good, sweet maid, and let who will be clever; Do noble things, not dream them all day long; And so make life, death, and that vast forever One grand, sweet song.
—Charles Kingsley

WEAR WHITE

AT NIGHT

"Wear White After Dark" is the theme of the May safety poster distributed by the Chicago Motor Clubs to some 33,000 grade school classrooms in Illinois and Indiana.
At night, all bicycle riders always should wear some piece of white clothing to make themselves more visible to motorists. White clothing reflects light coming from car headlights and street lights. Avoid accidents by being seen.

Swimming Film Accents Safety

If you're a male, your chances of drowning this summer are six times greater than if you're a woman. The most dangerous years are from 5 to 8.

But whether you wear boxer trunks or a bikini, and whatever your age, you can call the makers to "go jump in the lake." If you learn and follow a few simple swimming rules.

That's the message of "You Are the Lifeguard," a new safety education movie produced by the Aetna Life Affiliated Companies in cooperation with the American National Red Cross.

The color film, one in a series on water safety produced by the insurance organization, illustrates safe swimming practices in a wide variety of situations.

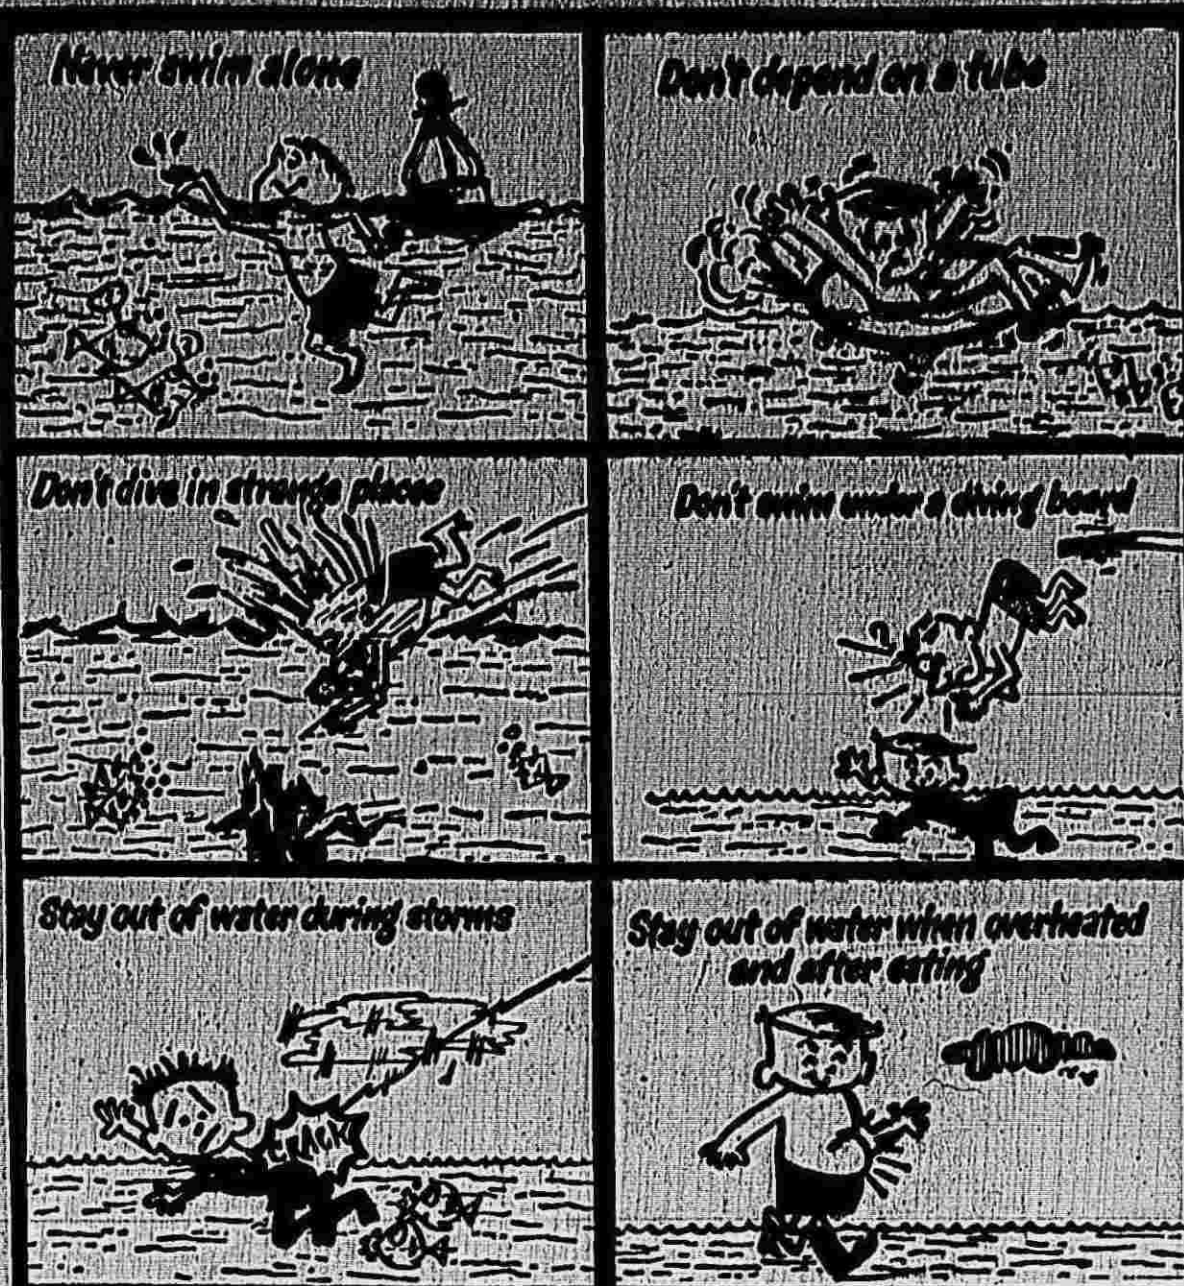

Its most important point: Good swimmers are made, not born.

Children should be enrolled in approved swimming courses so that they learn to swim properly under the guidance of specialists.

Moving from how to eliminate hazards in backyard pools and the "old swimming hole" to deep water rescue techniques, the film points out that many people drown while trying to save others.

Rescues should be made by boat if one is available, the film advises, or by throwing the victim a line or floating object he can grab onto. Swim to the rescue only if there is no other way. In other words "row" or "throw" if you can.

"Go" only as a last resort. "You Are the Lifeguard," winner of a National Committee on Films for Safety award, may be obtained on a free loan basis from Aetna Life's Information and Education Department, Hartford 15, Conn., for showings before community, school and other groups.

SIX FOR SAFETY—These rules for swimmers are among many illustrated in "You Are the Lifeguard," new film on water safety produced by Aetna Life Affiliated Companies in cooperation with American National Red Cross. The color movie covers virtually all aspects of swimming safety, from the best way to learn how to swim to deep water rescue techniques. "You Are the Lifeguard" is available through Aetna Life for free showings before school and community groups.

Testimonial Planned For Hugo Schneider

A testimonial party honoring Hugo L. Schneider, Jr., will be held Tuesday evening, May 20, at Adria Restaurant, Skokie Highway and Buckley Road.

Schneider, who has served as County Treasurer for many years, is presently the Republican candidate for probate clerk.

Toastmaster for the occasion will be John C. Daly, well known businessman.

An open invitation is extended to the public.

Self Examination

"Whenever you get to complaining that things aren't what they used to be, always remember to not forget to include yourself."—Greenfield Argus.

Channel Lake News

By Mrs. Pearl Kapell

Plans are under way for the June-Bug Hop sponsored by Sunny-Side Subdivision. The dance will be held at the American Legion hall in Antioch, June 2, from 9 p.m. to 1 a.m. Music will be furnished by the Mello-Dees of Genoa City. Food and drinks will be available. Tickets can be obtained from any subdivision member or they can be bought the night of the dance at the door. Everyone is invited to attend.

About 20 women attended the surprise baby shower on May 17 for Jean Needham. The shower was given by Mrs. Eileen Grunow and Mrs. Marion McBain in the home of Mrs. Grunow. All were reported to have a good time.

Miss Donna Wetmore was the guest of honor at a birthday party given by Miss Wendy Eberman Saturday night. Wendy's mother says that they must have all had a wonderful time, if fun can be judged by noise.

Michael Harland, son of Mr. and Mrs. Richard Harland, celebrated his birthday on the 21st with a party for the children.

Walter Arnold returned from Largo, Florida, last week. By the looks of it, he could have at least brought us some better weather. Welcome back, Sir.

The P.T.A. meeting was held Wednesday, May 10, at the grade school. Incoming and outgoing officers were presented with corsages. The new officers are: Don Hartman, president; Evelyn Caldwell, vice president; Ellen Stankus, secretary; Beverly Roberts, treasurer; Myrna Youngman, parliamentarian, and Lucile Eberman, historian. Entertainment consisted of a table discussion.

Channel Lake School Picnic will be held June 4 at Fox River Park. Bus service

from the school will be provided. The P.T.A. will furnish barbecue, ice cream, sodas and potato chips. Free tickets for refreshments must be obtained from P.T.A. officers either at school or at the picnic. Everyone must have these tickets, to insure that all will be served. Anyone desiring may bring a basket lunch, and everyone must bring his own tableware.

Graduation for the 20 eighth graders (not 28 as I reported last week) will be held Thursday, May 31, at 8 p.m. at the school.

The graduates are Ann Brazil, Sharon Dowell, Terry Dowell, Cathy Gregor, Timothy Alonzo Hucker, Michael Kelley, Mary Pat Lasco, Karen Lucido, Butch Moore, Kathleen Patelski, Rodney Dale Patterson, Barbara Pichous, William David Portaliski, Karen Roberts, Patricia Sershon, Linda Jean Soby, Linda Lou Wetmore, and Miles, Patricia Ann and Terry Yanca.

Parents of children who will enter first grade next year at Channel Lake are asked to register them on Tuesday, May 29, at the school office from noon to 3:30. They must present a birth certificate or proof of age for pre-registration.

Children to be entered in first grade must be 6 years old on or before Dec. 1 of this year.

FOREIGN EXCHANGE

It has been announced that Salem Central High has been accepted in the Foreign Exchange Student Council, known as the American Field Service. Three families are now being interviewed as "prospective parents" for a foreign student who will attend Salem next year. After the papers are filled out they will be sent to the New York Office which has the final "say-so." The three families being considered are the John Johnson family of Salem, the Horace Fowler family of Bristol, and the William Eberle family of Trevor. Within a short time it will be known which family has been selected and a student from a foreign country will be assigned to that family.

WHAT YOU CAN DO TO FIGHT COMMUNISM

"Alert yourself—learn the true nature and tactics of communism."

"Make civic programs for social improvement your business."

"Exercise your right to vote; elect representatives of integrity."

"Respect human dignity—communism and individual rights cannot coexist."

"Inform yourself; know your country—its history, traditions and heritage."

"Combat public apathy toward communism—indifference can be fatal when national survival is at stake."

"Attack bigotry and prejudice wherever they appear; justice for all is the bulwark of democracy."—J. Edgar Hoover, director, Federal Bureau of Investigation, reprinted in Highland News-Leader.

Book Review

By Marion Harden

An interesting gift was received by the Antioch Township Library recently from Howard R. Ballwanz, a former resident of Antioch. Mr. Ballwanz is now a member of the Peace Corps and is teaching at the Swedish Secondary School in Agona, Sweden, Ghana. Because Mr. Ballwanz feels that "A Nation of Sheep," by William J. Lederer, should be read by every adult American, he has purchased a copy to be added to the library's collection.

Just in time for the baseball season, "Baseball's Unforgettable Games," by Joe Reichler and Ben Olan, has been given to the library in memory of Richard Folbrink. Covering almost 100 years of baseball, the authors describe the drama and excitement of what they judge to be one hundred of the most colorful baseball games ever played.

Also given in memory of Richard Folbrink, "Red Smith's Sports Annual, 1961," vividly tells of sports events here and in Europe. The tale of the fisherman who caught a 6½-pound bass and ate it, thereby losing \$2,000, is a high point in this compilation of true sports stories.

"Rural Free," by Rachel Peden, is divided into 12 eventful chapters, and is subtitled "A Farmwife's Almanac of Country Living." This is a warm, rich book evocative

THE ANTIOCH NEWS
THURSDAY, MAY 24, 1962

of all the joys of a simpler, quieter life. "Rural Free" was given in memory of Mrs. Clarence Crowley.

"Plant Pruning in Pictures," by Montague Froo, covers every aspect of pruning, including advice on when NOT to prune and why. The compact text is illustrated with many step by step procedures for trees, flowers, shrubs and house plants. There are also chapters on pleached alices, espaliers and hedges and many wise suggestions for all gardeners. "Plant Pruning in Pictures" was given in memory of Mr. and Mrs. Charles Meyer.

Perennial spring climbers include roses, honeysuckle and auto speedometers. The return of good driving weather brings out the urge in many motorists to "step on the gas." But, warns the Institute for Safer Living, accident figures begin to climb along with speedometers and thermometers.

The Post Office department is operating at a deficit of \$850 million a year. There are probably two major reasons for this. The first reason is that the Post Office is charged for a high proportion of costs that should be charged to other departments of government or which should be charged to public service. The other reason is that the Post Office has

failed to adopt the newer and more efficient methods and practices that private business have been forced to adopt—or face failure. Port Huron, Mich., Times News

Lindenhurst News

By Mrs. Bernice Bernau
Editor 6-3649

At a meeting held May 14, Ed Dragoon was elected president of the Lindenhurst Sportsman's club. Bob Meier, vice-president; Don Anderson, secretary; and Tom Hay, treasurer.

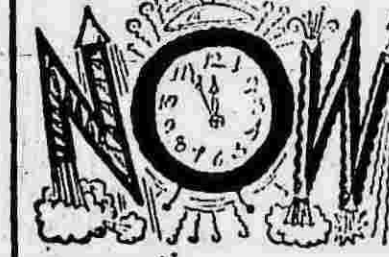

Dedicated
Eight-month-old Kathleen, daughter of Mr. and Mrs. Ed Bonovitz was dedicated Sunday during morning worship services at the Grace Community Church in Venetian Village. Pastor is the Rev. Dwight Reed. Mrs. Marge Moffitt and Harold Porter were the sponsors.

New Babies
Mr. and Mrs. Joel Schimpf are the proud parents of a little girl, who was born May 14. Devra Jo weighed 7 pounds, 4 1/2 ounces, when she was born at Victory Memorial Hospital.

The two older children are Dawn, 5 and Dodd, 2. The maternal grandmother is Mrs. Myrtle Jarl of Chicago. Paternal grandparents are Mr. and Mrs. Charles Schimpf of Chicago and Pleasant Highlands.

Friends of Dick and Jeannie Lloyd, formerly of 2412 Plumtree Road and now of Park Ridge, will be interested to know that they are the proud parents of their seventh child and fourth son, David Michael.

Daisies, Sr.
A Mother and Daughter Tea was held last Wednesday evening at the home of Lori Lewis for members of the Lindenhurst Daisies, Seniors 4-H Club and for eighth grade Daisies, Juniors who will be advancing next season. A

NOW Is An Important Word In Our Business!

When someone is ill, medicines are needed quickly to start the patient on the mend. We know this. That is why you never have to wait a long time to get your prescription filled here. Our prescription desk is staffed with a sufficient number of trained, skilled pharmacists to make sure that your prescription is ready on time.

very enjoyable evening was had by Carolyn Westberg and her mother, Mrs. Andrew (Edith) Westberg, who is 4-H Club leader, Lori and Mrs. Lorraine Lewis, Marianne and Mrs. Edwin Smith, Barbara and Mrs. John Warchal, Pat and Mrs. Edmund Wallock, Beverly and Mrs. Edward Bybee and Miss Eleanor Drake, assistant home adviser from the extension bureau, Mrs. George Orban and Mrs. Bernice Bernau, who were guests.

Graduation Party
The seventh grade class and their mothers of the Lake Villa Grade School provided the graduating class and their parents a lovely party Thursday evening in the school's gymnasium.

Everyone enjoyed the music played by the Antioch High School dance band, directed by Joseph Rush.

CYO
The CYO Club of Prince of Peace Church will hold its annual election of officers at their meeting Friday, May 25, at 7:30 p.m. There will be nominations from the floor, followed by the election.

Plans will be made for the dance and baseball game. The club will welcome volunteers to act as adult moderators.

Bake Sale
The Altar and Rosary Sodality of Prince of Peace Church will hold a bake sale next Sunday after all the masses, in the school corridor.

Ten-Ring
Mr. and Mrs. Ed Bernau attended the annual election of officers and party for members of the Ten-Ring Gun Club Saturday night. For the second year, Ed was elected vice-president. He received a Sharpshooter, Class 3rd, medal. The club has been in action for seven years now, and has about 20 members. They belong to the Tri-County Pistol League. Next Saturday is their big banquet.

Citizens' Party
Approximately 60 persons attended the Citizens' Party meeting Saturday evening at the Civic Center. Tony Drago was elected chairman, and Mrs. Floyd Stanley, co-chairman, of the Citizens' party. Mrs. Raymond Verdick is secretary and Mrs. Frances Prohaska, treasurer.

Revival
The First Baptist Chapel of Lindenhurst is holding Revival meetings at the Lindenhurst Civic Center on Old Elm Road, every evening, starting Sunday at 7:30 and ending Sunday, June 3.

Regular morning worship services are held at 10:45. Guest speaker will be the Rev. Archie Ackers of Crystal Lake. The temporary pastor, Rev. Julian Morrison of

THE ANTIOCH NEWS
THURS., MAY 24, 1962

12

Zion will also take part in the revival meetings.

Party
The graduation party for the eighth grade students of the Prince of Peace School will be held Tuesday, May 29, in the church hall.

Measles
Carol Drago is back at Antioch High school after being home for two weeks with the measles.

Hoe-Down
Ivy Cancer League No. 14 in Deerfield is announcing its second annual Hoe-Down for Saturday night, May 26, at 8 p.m. in Jewett Field House.

One of the North Shore's most popular callers, Ham Hampton, will be on hand and

A Fine Garden from a Limited Budget Plan

URBANA—Careful planning and cautious shopping can help you have a fine flower garden on a limited budget, according to G. M. Foster, University of Illinois floriculturist.

Start with a basic set of carefully chosen tools and garden equipment. Look for quality, durability and versatility. Avoid buying impractical gadgets and poorly designed and constructed tools—they are usually a waste of money. Use the same care in selecting plant and seed varieties, fertilizer, insecticides, and other gardening materials.

Over-buying of supplies for your garden is another way to run up costs needlessly. Look for value for your money when you shop. Practice restraint in regard to extravagant advertising claims, lavish color adds, exaggerated descriptions and fabulous bargain offers by mail-order companies. Rely on reputable

suppliers whose word can be depended upon.

Remember, there are many new developments in the gardening world each season, yet seldom do many of them pan out to give you the magical, sure-fire results claimed. What really lies behind the proverbial "green thumb" is still a lot of know-how and plain common sense—plus a fair measure of elbow grease. Learning to know the requirements for good plant growth, for example, helps you make wise decisions in selecting plants and seeds.

Don't hesitate to seek advice on your gardening problems. University cooperative extension personnel, local farm advisers and professional greenhouse men are some of the people who can answer your questions reliably.

PASS THE ASPIRIN

An old and still frequently heard "jab" at scientists is the statement that "They haven't even come up with a cure for the common cold yet!"

The magnitude of the task is indicated, however, by the reported discovery of six new distinct strains of virus isolated from runny nose sufferers. According to Scientific American, this would bring to 18 the total number of viruses implicated. This does not include viruses responsible for other respiratory illnesses.
